How do we book?

You will be asked to discuss your requirements with your wedding coordinator, they will then check the availability of your chosen date to ensure that The Bromley Court Hotel meets your dream wedding venue expectations:

If a date is pencilled in our diary as a 'on hold' booking, it will be held for up to 14 days without needing a deposit. After 14 days without confirmation from you, our wedding coordinator will be in contact to release the date. When you are ready to make your wedding a 'provisional' booking, your wedding coordinator will arrange for a provisional contract and letter to be sent to you which you will be required to check, sign and return a copy back to us. Along with the signed contract, we will also require a **non-refundable** deposit of £1,000 to confirm your wedding date.

If you are looking to hold your wedding ceremony at our venue as well as your reception, your wedding coordinator will require both you and your partner's contact details, full names, nationalities and time of the ceremony. Bromley Registrars will then contact you directly for your payment.

On the back of your contract under "billing notes", you will find a breakdown of payments as instructed by your coordinator; 25% due 9 months prior, 25% 6 months prior, final payment due 2 months prior.

We will contact you to book a date for the final wedding meeting two months prior to your wedding day, this is where we will discuss your final guest numbers, menu choices, go through the finer aspects of your wedding day and take your final payment. After this meeting we will send you the updated final contract copy including any additional charges required to be paid 1 month prior.

After this point no refunds can be given for any reduction in guest numbers.

Other details you should be aware of: our garden restaurant is open to the public until 10pm every day. However this space may be privately booked for a wedding/event where we will organise a separate space for resident dining. The Bromley Court Hotel reserve the right to make improvements to the venue and facilities as deemed appropriate when necessary due to the needs of the business. Prices are subject to reviews at any time by the hotel. External/3rd party catering and beverages of any kind are not permitted to be brought into the venue.

Our dreams really

“Best day ever!!”

We had our wedding here in June 2023! From the very beginning our Wedding Coordinator was so warm and friendly. She answered all of our questions and queries in a timely manner. Nothing was too much trouble.

On our wedding day the team made us and our 110 guests feel so special. Everyone was friendly and attentive. The wedding breakfast was delicious! And the bar drinks were reasonably priced. There was also ample parking for all of our guests.

When looking for a wedding venue, we wanted somewhere grand, all inclusive (ceremony, reception, stay all in once place) and local. And Bromley Court Hotel delivered!

We really did have the best day ever and BCH played a big part in that!
Thank you so much to all at BCH

Amy & Simon

“The best Wedding Venue!!”

We had our wedding at the hotel, and it was the most wonderful day, the hotel helped everything happen so seamlessly. I didn't need to think of anything on the day and could rely on all the wonderful staff to help to make everything happen.

Even at the point where we had forgotten the wedding favours for the tables, we were given pick and mix instead despite it being our fault for not handing our own favours to the venue beforehand. Nothing was too much for them and they were all so professional and wonderful. If anyone is looking to book a wedding venue in London, this is the absolute best and so reasonably priced. The food was fantastic! They made everything look beautiful.

All of our guests said it's the best wedding they've ever been to and that had a great deal to do with the attention to detail and attentiveness of the staff throughout the day. Using the Wellington Suite for the wedding breakfast and evening reception was the best decision we've made. Thank you all for making our wedding so special x

“Wedding day perfection”

My and my new husband got married at The Bromley Court Hotel and all I can say is WOW! From the moment I viewed the hotel to the big day itself (over a year period) I cannot fault the team. They made it the most incredible day for us, a massive thank you to our wedding coordinator who was so kind and organised, the team couldn't do enough for us, including running to the shops when our wedding party drank part of the bar dry!!

The Venue is beautiful, gardens in particular which allowed for a gorgeous outdoor ceremony, the food was delicious including breakfast and all our guests loved their bedrooms, our wedding suite in particular was huge and perfect for getting ready with my bridesmaids!

The whole wedding was also very reasonably priced and communicated well with external vendors we brought in for entertainment/decorations.

I wouldn't hesitate to recommend, thank you all again so much.

Chloe & Matt

did come true ♡

“Magical Wedding...”

We had our wedding at Bromley Court Hotel over the Easter Weekend, and we cannot fault it! The Hotel and the staff were amazing and went above and beyond for us. A special mention to our wedding coordinator who ensured we were all prepared, offered advice and ensured everything ran smoothly.

The hotel had little touches, which shows they care about their guests. For example, we had my 8 year old niece staying with us the night before the wedding and they had given us some colouring and an Easter Bunny for her to enjoy!

Emma & Andrew

“A special day with a special team”

We booked Leona's Room for our wedding breakfast. Our events coordinator was helpful from our first visit until the end of our very special day, nothing was ever too much trouble. We had chosen three varieties of canapes on arrival for our family and friends before we all sat down to an absolutely wonderful three course dinner.

Leona's Room had been dressed by the events team and then the flowers had been delivered and dressed by our florist, our long table looked beautiful starting with our three table arrangements, out button holes and my wife's bouquet, everything was fabulous.

Four our actual sit down wedding breakfast, we were given a top team to look after ours and all our guests every need. From the moment they introduced themselves to myself and my wife, I knew we were going to be in good hands, they were so lovely, quiet and unassuming, caring and ever so professional, no questions or request was ever a problem.

Thank you Bromley Court Hotel for holding our wedding breakfast and making it a very special day for us, our family and our friends, none of this would have been possible without your amazing team. If you are looking for a venue to have your wedding, then look no further thank The Bromley Court Hotel. You will not be disappointed.

Alan & Lyn

“Excellent Wedding venue”

We had an amazing wedding in the Wellington Suite. Great food and drink, attentive service, and a beautiful room with access to a terrace and the hotel gardens which was a real bonus.

Special mentions to our wedding planner who very calmly and confidently kept us on track leading up to the wedding and ensured the room was exactly how we envisioned. Our host on the day kept the event running smoothly and was superb at gently guiding the guests to fit in with the various key moments. The staff on the bar made our guests feel welcome and kept the drinks flowing.

Our guests have all said how much they loved the wedding, and we wouldn't hesitate to recommend The Bromley Court Hotel as a wedding venue.

Tanya & Jonathan

Thank you to all our beautiful couples that allowed us to use their photos,
as well as some of the amazing photographers...
